

## Press Release

Milan, 19 January 2012 - At its meeting today, the Executive Committee of RCS MediaGroup carried out examinations regarding the Three-Years Plans' assumptions, also with respect to the Group perimeter. The Executive Committee - which does not have any decision-making authority on such matter, but has only a preliminary investigation role – has decided to grant an appointment for a preliminary activity of wide acknowledgment about existing declarations of interest in relation to assets not straightly included in the core business (comprising Flammarion) and non-core assets.
